Education and In-services to all of their clients thereby reducing the incidence of repair. A sample of the in-services available for customers is:

Preventive Maintenance and Care and Handling of the Endoscope.

Prevent Maintenance and Equipment Care and Handing Program: SVI provides at no additional cost a care and handling program designed to minimize equipment breakage. Through this education, we hope to teach our customers how to properly handle their scopes, reduce major repairs, promote end users satisfaction and indicate areas that need continued research and instruction.

21. Loaner Equipment Policy: SVI will provide loaner equipment to the customer from its loaner pool. Some loaners that are available may not always be the requested model number but they are still able to perform the procedure that is specific to the requested equipment (flexible/rigid endoscope & power driver). Loaner equipment will be provided at no cost to the customer. If the loaner equipment is damaged or lost, then SVI will invoice the customer for the cost of repair or full value of the loaner equipment, as applicable.

Warranty Policy

GSG Associates, Inc. d/b/a Surgical Visions International, clients will be protected by an industry leading 120-day inclusive warranty as well as up to 1 year on advanced flexible endoscope repairs. The original equipment manufacturer only warrants their repairs for 90 days. GSG Associates, Inc. d/b/a Surgical Visions International also guarantees its work. If the customer is not completely satisfied they will not be charged for the repair.

It is always the intent of GSG Associates, Inc. d/b/a Surgical Visions International that every repair arrives to our customer in proper working order. In the event an item repaired by GSG Associates, Inc. d/b/a Surgical Visions International does not work upon receipt, please call us immediately (or within 72 hours from receipt of repaired item) and we issue you a RGA number. (Return Goods Authorization). The following procedure must be carried out in order to properly document and process and return instrument for repair.

Return Goods Authorization (RGA): A RGA number is required and is available by calling our toll-free number @ (800) 865-2070. Instruments returned without a RGA number cannot be processed. GSG Associates, Inc. d/b/a Surgical Visions International will inspect each instrument claimed under warranty. It is your responsibility to check each shipment at the time of arrival for accuracy and damage. Any discrepancy should be reported immediately by calling our toll-free number.

If the item is deemed under warranty, we will, at our expense, repair the item at no charge and re-ship the item back to you. We do ask that you repackage the instrument in a manner that will allow it to be received in a safe condition.

GSG Associates, Inc. d/b/a Surgical Visions International does not charge customers any freight charges for items returned and accepted under warranty terms. If the instrument returned for claimed warranty is deemed not to be under warranty, the facility member will be charged for shipping the repaired instrument back to the customer.
